5. Costs/Pricing

5.1. General Pricing Rules

Each Supplier is required to submit pricing as part of its response. By submitting a response, the Supplier agrees that it has read, understood, and will abide by the following instructions/rules:

1. The submitted pricing must include all costs of performing pursuant to the resulting contract; and
2. Bids containing a minimum order/ship quantity or dollar value, unless otherwise called for in the Invitation to Bid, will be treated as non-responsive and will not be considered for award; and
3. The Supplier is required to provide net prices. In the event there is discrepancy between a Supplier's unit price and extended price, the unit price shall govern;
4. The prices quoted and listed in the response shall be firm throughout the initial term of the resulting contract, unless otherwise noted in the Invitation to Bid or contract; and
5. All product deliveries will be F.O.B. destination and all freight/shipping charges must be included in the quoted cost (no hidden fees); and
6. Responses containing prepayment and/or progress payment requirements will be determined non-responsive; and
7. Responses requiring payment from KCTCS in less than thirty (30) days will be considered non-responsive; and
8. KCTCS is exempt from certain taxes and no provision for such taxes should be included in the Supplier's response.

5.2 Cost Structure

It is the intent of KCTCS to structure the cost format in order to facilitate comparison among all Suppliers and foster competition to obtain the best market pricing. Consequently, KCTCS requires that each Supplier's cost be structured as directed in the Invitation to Bid. Additional alternative cost structures will not be considered.

6. Award

6.1. Method

KCTCS intends to award a contract to the responsive and responsible Supplier(s), based on Best Value, who meets the Terms, Conditions, and Specifications of this Invitation to Bid.

Best Value - Ranking Approach: with the ranking approach, price is one of the measurable criteria components of the solicitation. The measurable criteria are added together to determine the Supplier's total score. The Supplier with the highest score has the highest ranking. Award is made to the Supplier with the highest ranking. If there is only one best value response to the solicitation, the evaluation process will be waived and award will be made to the only responsive, responsible Supplier.

6.2. Commission Rate

Each Supplier is responsible for submitting all relevant, factual and correct information with their offer to enable the evaluator(s) to afford each Supplier the maximum score based on the available data submitted by the Supplier. SUPPLIER MUST ENTER UNIT PRICE AND TOTAL PRICE ON THE BID SHEET. If adequate space is not available, the Supplier must attach additional information that clearly cross-references the appropriate location in the solicitation (i.e. page number, paragraph, subject, etc.).

Best Commission Rate: 100 Points

Commission (100 points) - The bidder with the best commission rate receives the maximum score. The bidder with the next best commission rate receives points by dividing the best commission rate by the next best commission rate and multiplying that percentage by the available points. For example, assume 17% is the best offer from bidder "A", then bidder "A" receives 100 points $17\%/17\% = 1.00 \times 100 = 100$). Assume 12% is the next low offer by bidder "B", then bidder "B" receives 71 points $(12\%/17\% = .071 \times 100 = 71)$, etc.

Method of Breaking Tie Bids:

Tie low bids on the purchase of commodities/services may be broken in the following order if price and delivery are equal.

1. Time discount.
2. KRS 45A.494 Reciprocal preference to be given by public agencies to resident bidders -- List of states -- Administrative regulations. (4) If a procurement determination results in a tie between a resident bidder and a nonresident bidder, preference shall be given to the resident bidder.
3. Supplier who has performed satisfactorily in the past over supplier who has not previously served the KCTCS or who has not performed in satisfactory manner.
4. Flip of coin, witnessed by at least two KCTCS personnel.

The bid file shall document one or more of the above-listed factors.

Best Value scoring is subject to Reciprocal Preference for Kentucky resident Suppliers.

6.3. Selection

KCTCS reserves the right to: (a) reject any and all responses, in whole or in part; (b) request clarifications from Suppliers; and (c) take any other action as permitted by law.

Any contract award(s) resulting from the Invitation to Bid will be made to the lowest, responsive and responsible Supplier(s) meeting all specifications. KCTCS reserves the right to select one or more Suppliers for award and to award all items to one or more Suppliers, individual line items to one or more Suppliers, or subcategories of products/services to one or more Suppliers when to do so is in the best interests of KCTCS.

6.4. Consideration

To be considered for award of a contract, the Supplier must be in good standing with KCTCS System Office regarding past performance. In order to be considered for an award, Supplier cannot have had a contract with KCTCS that was not renewed or terminated early (unless at the Supplier's request) for performance reasons within the previous twelve (12) months (from the bid opening date on this bid event).

6.5. Kentucky Reciprocal Preference Laws

In accordance with KRS 45A.494, a resident bidder of the Commonwealth of Kentucky shall be given a preference against a nonresident bidder. In evaluating proposals, the KCTCS will apply a reciprocal preference against a bidder submitting a proposal from a state that grants residency preference equal to the preference given by the state of the nonresident bidder. Resident bidder and nonresident bidder shall be defined in accordance with KRS 45A.494(2) and 45A.494(3), respectively. Any Respondent claiming Kentucky residency status shall submit with its proposal a notarized affidavit affirming that it meets the criteria as set for in the above referenced statute.

6.6. Public Award Notice

The solicitation results will be posted at the link below. No Supplier should assume personal notice of the solicitation results will be provided by KCTCS.

<https://systemoffice.kctcs.edu/suppliers/opportunities-to-bid.aspx>

7.1. Supplier's Terms & Conditions

Suppliers must refrain from imposing conditions that would modify the terms and conditions of the solicitation or limit the Supplier's liability to KCTCS on the contract awarded on the basis of such Invitation.

Additionally, Suppliers must refrain from electronically modifying the terms within the bid document.

7.2. Contract Term

The initial term of the contract will be for **one (1) year** from the execution date of the contract with **one (1) year** renewal periods upon mutual agreement. Renewal will be accomplished through the issuance of a KCTCS Amendment. In the event that the contract resulting from the award of this Invitation to Bid shall terminate or be likely to terminate prior to the making of an award for a new contract for the identified products and/or services, KCTCS may, with the written consent of the awarded Supplier, extend the contract for such period of time as may be necessary to permit KCTCS's continued supply of the identified products and/or services. The contract may be amended in writing from time to time by mutual consent of the parties. Unless this Invitation to Bid states otherwise, the resulting award of the contract(s) does not guarantee volume or a commitment of funds.

7.3. Contract Termination

The contract resulting from this Invitation to Bid shall be subject to the following termination provisions:

- for default
- for Supplier bankruptcy
- for unavailability of funds
 - KCTCS may terminate the contract at any time if KCTCS determines that funding is no longer available to support this project/enterprise.
- mutual agreement
- otherwise as specifically provided by the contract
- non performance
